The Safari Companion: A Guide to Watching African Mammals ...

A lot of guidebooks give you information on how to identify a species, but don't really tell you much about the animals themselves (and unfortunately most guides and drivers aren't much help either). Richard Estes' The Safari Companion: A Guide to Watching African Mammals Including Hoofed Mammals, Carnivores, and Primates is a great remedy to this. Estes treats the major African mammals with the detail of a graduate biology textbook, explaining their evolutionary history, diet, and behavior.
